UAC

UAC Key Date Reminders

- 19 Sep Schools Recommendation Scheme applications close (for Year 12 students)
- 30 Sep Early bird fee deadline – significant increase to application processing charge after this date
- 22 Nov Educational Access Scheme application and document deadline to have them considered in December Round 2
- 15 Dec 2022 NSW and ACT ATARs released on this website
- 22 Dec December Round 2 offers released – first offers made to Year 12 students based on ATARs

Have a back-up plan: Pathways to Uni

UAC always recommends that, when you choose your course preferences, you include a 'back-up' course; that is, a course you are confident you'll be offered a place in and will be happy to study if you miss out on offers for your higher preferences. For example, you could include a diploma course in a similar area of study as your preferred degree course. You could then use your diploma studies as a stepping stone to the degree: you may even be able to move straight into second year. Pathways to uni.

<https://www.uac.edu.au/future-applicants/admission-criteria/pathways-to-university>

UAC Deferring A Uni Course – What you need to do.

How do I defer?

When you receive an offer to enrol in a course, information included with your offer will explain how to apply for deferment. You may have to accept the offer before you can defer.

Most institutions will ask you to provide a statement to explain why you wish to defer and what you'll be doing during this period.

Once your deferment has been granted, you'll receive written confirmation of your deferment from the institution concerned. This will also give instructions on how to take up your deferred course.

If, at the end of the deferment period, you decide you'd like to be considered for other courses, you can complete a new UAC application and include these course preferences. If you receive an offer to one of the new courses, you can then decide whether to accept the offer or take up your deferred course.

Can my offer lapse?

Yes. If you undertake degree studies or certain levels of TAFE study other than NSW HSC courses during your deferment period, your offer at many institutions will lapse. You'll need to re-apply through UAC and declare all of your studies. Check with each institution for specific policies.

University - Institutes

[University of Wollongong Year 12 Summer Master Class 2023](#)

Applications for the next Summer Master Class will open on 22 August 2022

Our 3-week Summer Master Class program allows you to complete a university subject and secure at minimum a UOW admission interview to kick start your higher education journey. Students who successfully pass their Summer Master Class subject will at minimum be guaranteed a conditional offer or admissions interview to a degree that aligns to the Summer Master Class subject they complete (noting must meet the assumed subject knowledge criteria).

Credit towards a UOW degree that could make you eligible to skip a whole subject when you study at UOW.

[Macquarie University Catchment 5 Adjustment Factors](#)

If you qualify for adjustment factors, they are added to your selection rank and may improve your chances of receiving an offer for your preferred degree. Macquarie offers five additional adjustment factors to students who live in Macquarie's catchment region. These are called catchment adjustment factors.

Use the tool below to check if your postcode qualifies. If you qualify, you will automatically receive five adjustment factors when you have a Macquarie course listed as one of your preferences through UAC.

[Western HSC Study Sessions](#)

From 26-30 September 2022

Western Sydney University is offering a range of online study sessions to assist Year 12 students in their preparations for the HSC.

Delivered by highly qualified senior teachers, 26 free sessions across 14 key HSC subject areas, the sessions will include content analysis, tips and strategies, and a detailed exploration of key syllabus and curriculum areas. Students will also have the opportunity to sit a practice exam and deconstruction, with feedback and advice from experts.

[The College of Western Sydney University](#)

Apply for one of our programs and you could be on your way to completing a university degree in no time!

THE COLLEGE PATHWAYS INCLUDE:

Humanities, Arts, Social Sciences and Business

Health and Medicine

Science, Computing, Technology, Engineering and Mathematics

[Western Sydney Uni Alternative Entry Music Audition, Industrial Design and Visual Communications Interviews](#)

Western recognises all students' potential and offers a range of alternative entry pathways which consider additional factors besides academic results. Learn more about Music Audition, Industrial Design and Visual Communications Interviews here:

University of Sydney – Life of a Mathematician

31 August 2022. 5pm

Have you wondered what a day in the life of a mathematician is like? And what jobs are available in this growing sector? Join award-winning mathematician, Professor Mary Myerscough, to find out what an average day of work might be like in the field of mathematics. In this session you will learn about the exciting work being done by mathematicians, from creating mathematical models to map how healthy cells become cancer cells, to how social insects organise their societies.

THE UNIVERSITY OF
SYDNEY

The Women's College Online Evening – The University of Sydney

Tuesday 23 Aug, 5.30pm–6.30pm or Open Day, Sat 27 Aug, 10am – 3pm

within The University of Sydney Learn how students are supported through their university studies with academic support while enjoying many cultural, sporting, and social activities at college on campus. Join Register here:

University of Sydney Academic Excellence Scheme in English and Maths

Recognising achievement by rewarding academic excellence
The Academic Excellence Scheme recognises high performance in English and mathematics by applying adjustment factors to boost your selection rank.

Depending on the course you have applied for and whether you achieved a Band 5 or 6 (or equivalent) in high-level English or mathematics, you can have an adjustment of up to five points added to your ATAR or equivalent IB score, to raise your selection rank for an eligible course.

If your ATAR or equivalent IB score is up to five points below the entry requirement for your course of choice, through excellence in English or mathematics you can potentially still gain entry to that course.

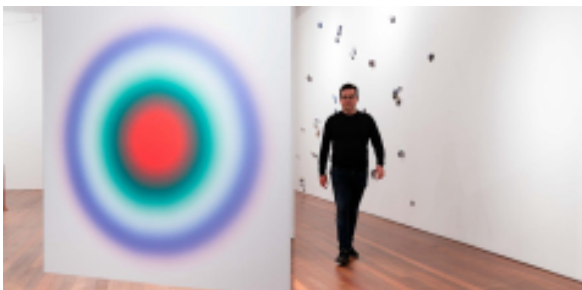

Sydney College of the Arts Portfolio Day 2022 – Online Event

Thu., 29 September 2022. 4:00 pm – 7:00 pm

Sydney College of the Arts at the University of Sydney invite you to attend our online Portfolio feedback sessions to assist you with preparing your portfolio and application to study our three-year Bachelor of Visual Arts and our four-year Bachelor of Visual Arts and Bachelor of Advanced Studies.

Register for any session between 4 and 7pm, where you will be allocated to a private consultation with one of our Visual Arts Academic staff, and receive personalised feedback on your portfolio and visual arts practice.

There will be one 30 min presentation at 5pm for those wishing to hear more about the degree.

[The University of Sydney – Sydney Scholars Webinar](#)

Wednesday 24 August from 5–6pm

Learn about the Sydney Scholars Award. The Sydney Scholars Award allows successful applicants to receive a \$6000 scholarship for the first year of their degree. This webinar will discuss eligibility requirements and how to apply.

[Meet Sydney – Batemans Bay](#)

Wed 31 August 5pm–6:30pm

This session will cover information about courses, admission requirements, entry schemes/pathways, fees, and scholarships, as well as the type of support available on campus. Uni students and alumni from Regional NSW will share stories, tips on moving away from home and advice about their journey to university and beyond.

[Reminder – Audition Advice for Sydney Conservatorium applicants](#)

Registrations for auditions close on the 4th September for Music Theatre

For all other programs on the 18th September

Audition registrations are closing soon for early offers to the Sydney Conservatorium and Music Education Degrees! For students who require more advice, please watch our recent Information Session to better understand what is needed to prepare for these auditions.

[Register Here.](#)

[The University of Sydney Business School – Future Innovators Awards applications are now open](#)

Applications close on 30th September, 2022

The University of Sydney Business School Future Innovators Awards are now open. This award recognises the visionary influencers of the future and it is available exclusively to current NSW high school Year 12 students with a creative business idea with local impact. Successful applicants will receive a \$250 cash voucher, as well as be considered for a \$6,000 scholarship.

UTS Campus Tours and Various Dates

UTS runs campus tours throughout the year. Register your interest below and let us know what session you would like to attend. Please ensure your friends and family fill out a separate form if they would also like to attend.

UTS - Faculty of Engineering & IT Research Showcase 2022

29 November, 2022. 10:00 am - 5:00 pm

You are invited to attend the Faculty of Engineering and IT Research Showcase on campus event.

This event highlights our Higher Degree Research candidates' work and achievements, with our wider community.

There will be a preliminary speaker and three different presentation formats throughout the day. A number of candidates from our six schools will present their work and the best presentations will receive a certificate and prize.

If you are interested in attending, please register for the event by completing the event registration form.

Register for Experience UTS Day to be held later in 2022

Get a taste of uni life by trialling a day of hands-on workshops across different disciplines and experience everything UTS has to offer.

Register here so you don't miss out on the notification:

ANU - Undergraduate students portal

Studying at ANU means joining a community of inspired minds, working with some of the world's leading experts, choosing from Australia's widest range of flexible degree options and opening the door to opportunities that you never thought possible. Learn more about enrolling as an undergraduate student at ANU.

[ANU – Sustainable creative careers: getting your career started](#)

Wed 31 Aug 2022, 6–7pm

Like to turn your art hobby into a career? Do contracts, tax, gallery hire and commission agreements leave you confused? Getting your Career Started provides an overview of the range of skills necessary to be a practicing artist. This session is suitable for anyone who doesn't quite understand the complexities of how to get your career started (or how to sustain it once you've made a start!)

The art world can be a confusing and difficult space to navigate, especially when keeping pace with changing trends, expectations and technology. The ANU School of Art & Design brings together artists and arts workers to help answer questions and give you some ideas about what skills are needed to gain a place in the contemporary art world.

These events are suitable for emerging artists and for anyone looking to boot their art career!

[ANU Open Day Details](#)

Join us for Open Day on **Saturday, 3 September 2022** and discover your future at Australia's #1 university*.

Discover your future. Explore how you'll build on your skills and knowledge to solve complex challenges facing the world at the Australian National University (ANU) Open Day 2022.

Discover information sessions and on-demand content about our degrees, student life and the ways ANU can equip you for the future. It's a great opportunity to learn why Australia's #1 university is the university for you.

[ACU Talk with Occupational Therapists and Speech Pathologists](#)

18 October 2022. 5–7pm

Allied health practitioners help us live life to the fullest. You can diagnose, treat, and rehabilitate patients, and help improve their quality of life. Join us online to hear from ACU alumni about their experiences improving people's quality of life. Take part in a Q&A session with our graduates and learn about the rewarding and challenging careers of occupational therapists and speech pathologists.

[ACU Talk with Exercise Scientists and Physiotherapists – Online](#)

19 October 2022 6–7pm AEDT, 5–6pm AEST

A career in sport and exercise science will allow you to help people achieve peak performance and optimal health and wellbeing.

Join us online to hear from ACU alumni about their experiences working as exercise scientists and clinical exercise physiologists. Learn from our graduates who have worked with the Brisbane Lions, Wests Tigers, Sacramento Kings and more.

Take part in a Q&A session about what a career in exercise science and physiotherapy is like and where it could take you.

[ACU Is a pathway certificate or diploma for me?](#)

By studying a pathway certificate or diploma, you can take advantage of lower entry requirements to begin studying what you love. We will then use any completed grades to help secure your spot in a more advanced course.

We offer programs in a wide range of study areas, applying is easy and we're here to help you if you get stuck.

[Charles Sturt University Final Round Open for Early Offer – Advantage Students can apply by 4 September 2022 and receive an offer by late September](#)

Charles Sturt Advantage early offer program final 2022 round the final round for the Charles Sturt Advantage is open. Thousands of offers have been received by some very excited Year 12 students already. For more info:

[Southern Cross University – Attend our next Q & A Webinar?](#)

11 October 2022. 6pm

Which study area(s) are you interested in? (choose up to 3 in your order of preference)

[SCU Scholarships Opening Soon](#)

Applications for 2023 scholarships open in September.

Southern Cross University offers a range of scholarship opportunities to support regional, rural, and remote students, international students, students experiencing hardship, Aboriginal and Torres Strait Islander students, and students who can demonstrate exceptional merit.

<https://www.scu.edu.au/scholarships/find-a-scholarship/>

and listings are here:

[University of Newcastle Bachelor of Biomedicine/Bachelor of Laws \(Honours\)](#)

This course will be offered at the Central Coast Clinical School, at the Gosford Campus in Semester 1, 2023.

For Early Entry Law Scheme info, visit:

<https://www.newcastle.edu.au/school/newcastle-law-school/experience>

[University of Notre Dame – Tips for writing the perfect personal statement](#)

One of the best things about studying at Notre Dame is the opportunity to meet so many amazing people! We like to get to know our prospective students through our admissions process and part of that involves you submitting a personal statement of about 300 words with your application. Here are some tips to get you started!

Read more here:

[Reminder – University of Notre Dame Early Entry Young Achievers Applications and FAQs Closes 30 September 2022](#)

Find all the answers and more here for:

How do I apply for the Young Achievers Early Offer Program?

Do I need to ask my school to provide a reference?

Can I apply for special consideration?

If I did ATAR in year 11 but not in Year 12, can I still apply for an Early Offer?

What are the application dates for Early Offer?

I've applied – what happens now?

What is the difference between a conditional and unconditional Early Offer?

What happens if I don't receive an Early Offer?

[UNSW Many Courses Have Changed their Names](#)

UNSW Sydney has made changes to some of its courses for 2023.

The courses that are changing are detailed in the table below:

[UNSW Gateway Entry Scheme Yr 11 Spring Program](#)

Program dates: 12 – 22 September 2022

Registrations close 4 September 2022

In this free digital program, you will participate in interactive faculty experiences that showcase the range of degrees and what it's really like to be a student at UNSW. The program also includes academic skills workshops, so that you can get prepared to ace your HSC.

[UNSW Portfolio Entry](#)

Submissions are expected to open in early September and close in early December.

For degrees in:

- **Art & Design Portfolio Entry**
- **Built Environment Portfolio Entry**
- **Business School – Bachelor of Information Systems Admissions Scheme (BISAS)**
- **Faculty of Engineering Admissions Scheme (FEAS)**

For all domestic and some UAC International applicants who are applying for an eligible degree and expecting an ATAR within 10 points of the lowest selection rank for your degree (unless stated otherwise).

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why we offer UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

If this sounds like you, we want to see your portfolio submission. It's an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in. Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

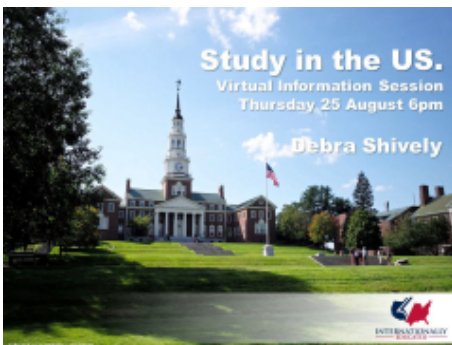

[VET Pathways to Griffith University](#)

A completed Australian Qualification Framework (AQF) Certificate III, IV, or Diploma provides a selection rank for admission to a range of Griffith University degrees. For some degrees, your qualification may provide you with certainty as to your future study with the VET guarantee.

University – General

[Reminder – Internationally Educated Virtual Information Session On 'Studying In The US'](#)

Thursday 25 August 6pm

Learn about your US university opportunities as well as the application process to US universities. Q&A to follow.

Registration required:

[Internationally Educated is offering an online ACT practice test](#) **Saturday 17 September at 9am**

For students in years 9-11. Registration is required. The practice exam includes a personal score report and a score review session with a test prep expert.

Further details can be found at:

[Uni of Melbourne Join us at Open Day](#)

Sunday 21 August 2022. 10am-4pm

Thinking about studying at uni? Come and experience Melbourne life for yourself in an exciting program of over 300 in-person sessions.

Meet academics, future student teams and current students, to get a better understanding of your study options, and the careers they lead to.

Get a feel for campus life by exploring the spaces you'll be learning in, including our labs, libraries, galleries and other world-class facilities.

TAFE

[Launch your Career in Auto & EV](#)

Friday, September 16, 2022. 10:00 am to 10.45am

Learn how to develop skills to work with next-generation automotive technology including electric vehicles

[Creative Industries Day 2022](#)

September 17, 2022. 10:30 am to 6.30pm

This is an exciting opportunity to collaborate with local businesses and hear from creative experts.** **

Consisting of workshops, panel discussions, installations, live music and more, attendees can expect to;

- ☒ Learn what the critical skills areas are in the future job market
- ☒ Learn about transitioning career pathways within and into the creative industries
- ☒ Learn about education opportunities (professional development and upskilling for the workforce of the future)
- ☒ Collaborate with local businesses and artist collectives to provide professional development opportunities
- ☒ Get Information on grant writing
- ☒ Align their job search with relevant service providers and employers in the industry
- ☒ Network and create opportunities for future collaboration

[TAFE NSW 2023 Career Guide](#)

This guide is now available Download a copy of the TAFE NSW 2023 Career Guide by completing the form **at the end of the page.**

[AFL SportsReady Helping Improve Employment Outcomes for Your First Nation Students](#)

AFL SportsReady in partnership with the Commonwealth Bank, is currently recruiting several school-based traineeships for First Nation students who are going into year 11 in 2023, who are looking to pursue a career in banking/customer service. For more details:

[360 Degree TAFE Virtual Tours in all career fields](#)

Go on a 360° virtual tour of our state-of-the-art facilities.

[TAFE Page – FAQs and I am finishing school this year](#)

Whatever you're interested in, TAFE NSW has a pathway to get you there.

With hundreds of courses to choose from, including degrees, we can help you find your passion.

FAQs:

When do enrolment periods close?

What are the semester and term dates?

Do you offer payment plans?

What is a fee concession and exemption and who is eligible?

Can I study a degree at TAFE?

What course will get me into university?

[TAFE NSW Degrees and Undergrad Certificates](#)

You don't need an ATAR to study a degree with TAFE NSW, but you will graduate with a qualification that will change your future.

Study a Bachelor degree, post graduate or higher education qualification with TAFE NSW, and graduate with strong theoretical knowledge, practical experience and industry connections that will give you a head start on your career.

Plus if you have previously completed a higher education or vocational diploma or certificate qualification, you may be eligible for credit transfer or recognition of prior learning (RPL) towards your degree, which means you could graduate sooner.

We also offer short courses comprising one or two subjects designed to meet industry requirements. Check out our short courses!

We also offer Undergraduate Certificates. Undergraduate Certificates are short courses requiring completion of just four subjects. They are designed to provide you with the professional skills and knowledge to move into new employment opportunities. If you decide to continue your studies, you will get recognition for the four subjects completed.

[UVAIR Pty Ltd Drone Training](#)

AVI30419 Certificate III Aviation (Remote Pilot) UVAIR has designed a new interactive blended program for 2023. Students will participate in weekly virtual classrooms where they will have access to their trainer whilst completing an interactive on-line program. Find out more here:

Sydney Flight College Applications for 2023 Now Open

Year 12 Students interested in becoming a pilot? Double Diploma & Commercial Pilot licence AVI50222 Diploma of Aviation (Commercial Pilots Licence – Aeroplane) & AVI50519 Diploma of Aviation (Multi Engine Instrument Rating). Operating out of state-of-the-art headquarters at Bankstown Airport, this is your opportunity to view our facilities and fleet, sit in our aircraft, have a go on our full-motion flight simulator, and have an in-depth chat to our course advisors who will be able to answer all your aviation questions.

Flightdeck Consulting – Pilots and Flight Attendants

“The Complete Flight Attendant Interview Workbook” is a fully interactive, insiders guide that will fully prepare you for your airline interview. It is true that only about 1 out of every 100 applicants are ultimately hired as a flight attendant. The importance of preparation cannot be understated. If you are unsuccessful with your flight attendant interview, you will typically need to wait six to twelve months before being allowed to re-apply. Correct and thorough interview preparation will help ensure you are the standout candidate at your interview and are successful the first time around.

<https://www.flightdeckconsulting.com/shop/the-complete-flight-attendant-interview-work-book/>

Our mission is to see pilots successfully navigate their way through and to enjoy the benefits of a meaningful Aviation career.

All of our products and services have been tailored and designed to ensure you can make impactful career decisions and to be as best prepared for any career opportunity or airline interview process.

[Teach NSW Scholarships! Closing Soon!](#)

Apply by Friday, 26 August 2022

Are you a talented senior students who is considering a career in teaching? Applications for the NSW Department of Education future teacher scholarships close Friday, 26 August 2022. Applying now:

[NSW Police Application Process](#)

Once you have successfully completed the University Certificate in Workforce Essentials (UCWE) you may be eligible to submit an application to the NSW Police Force. Once received, your police application will be allocated to a Recruitment case officer who will get to work processing your application.

[Read more](#)

1. Background Checks

Upon receipt of your police application your recruitment case officer will conduct a number of background checks including detailed background vetting, employment checks and a more thorough investigation of your history.

[Read more](#)

2. Physical & Medical Assessment

As a police recruit applicant you will be required to undertake a number of physical tests to determine your ability to perform the physical demands inherent to operational policing. You will also be invited to attend a full medical assessment including a complete medical history. The assessment will be conducted by an external provider and will assess your medical fitness to perform the inherent role and functions of an operational police officer.

[Read more](#)

3. Interview

The final stage of the recruitment process is a formal face to face interview. The interview will be conducted by a three (3) member panel and will provide an opportunity for the NSW Police Force to assess you against a number of core qualities. The interviews will be conducted at a number of metropolitan and regional locations.

[Read more](#)

4. Ranking & the Eligibility Pool

Successfully completing all requirements of the recruitment process will see you progress onto the eligibility list to await an offer for placement into the Associate Degree in Policing Practice.

[Camp America Online Information Session](#)

7 Sept 2022

[Mega Maths Day](#)

25 November 2022

For students in Years 9 and 10

An opportunity to surprise and inspire students with mathematics and showcase the variety of disciplines and careers that require mathematics.

Mega Maths Day engages with stage 5 students who need to make choices about what kind of mathematics to do in senior school.

No matter what your students choose to do in the future, maths will be a part of it and take the form of:

maths models that help predict which latest fashion items will sell out,

calculations that allow you to build bridges,

statistics that show what people think of a business, or

computations that help in the understanding of diseases.

Your students will discover how maths is involved in pretty much every area of life at Mega Maths Day.

[Family Science Day](#)

20 August, 10am – 4pm

Sydney Science Festival presents a day of demonstrations, talks and hands-on activities at Parramatta – designed to inspire people of all ages. The theme Revival is applied to diverse scientific topics and brings attention to sustainability, environmental rejuvenation and recovery.

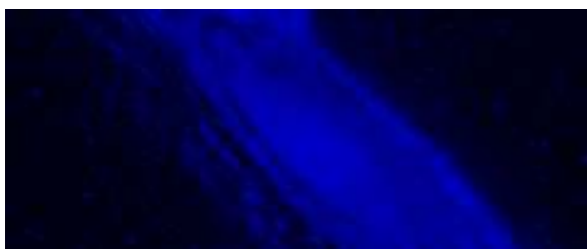

This free family-friendly event invites participants to engage with a range of scientific disciplines including medicine, ecology, climate change and astronomy.

Family Science Day is presented by Powerhouse as part of Sydney Science Festival in partnership with Western Sydney University and City of Parramatta.

Activities located in the Western Sydney University building are limited by capacity and are only accessible via elevator. Indoor events are currently sold out. Outdoor events will be available for those registered.

[Future Space](#)

20 August. 11am to 12.00

An intergenerational panel will discuss the inspiring and engaging opportunities for young people to participate in Australia's space future. Hear space industry professionals, educators and students talk about turning STEM passions into meaningful learning experiences, as well as their own study and research pathways and what continues to inspire their practice. Speakers to include Ted Tagami, CEO and Co-founder, Magnitude.io; Sophie Poisel, Head of the Lang Walker Family Academy, Powerhouse; and students from East Hills Girls Technology High School and Parramatta Public School.

[Where can I study Architecture?](#)

The following schools offer architecture courses that are recognised by the Australian Institute of Architects and accredited by the Architects Accreditation Council of Australia (AACA) and the relevant state/territory architecture boards.

[Pathways to Architecture](#)

Architects hold one of the most influential professions in society. They constantly push boundaries and help ensure that we build a sustainable built environment.

Take your first step towards becoming a successful architect.

[Videos for Change Youth Competition Entries Now Open](#)

Closes 16 September 2022

Are you a high school student who wants to speak up about an issue that's important to you? It's time to get creative and have your voice heard.

There is no 'theme' for this year's event. Simply pick the social that you want to focus on and let your creative genius take you in any direction you choose. This year's competition will be open for entries from close on 16 September 2022, so create an account now, and then access our free resources to help you start preparing to make the world a better place. Young people have the creativity and capacity to contribute to a safer, more sustainable and inclusive world. Videos for Change is your opportunity to make a difference to a social issue you're passionate about. Create a one-minute video that creates empathy, builds awareness and inspires action.

Enter the Videos for Change Australian National Competition for some fantastic opportunities for your video to have International reach and impact. You'll join a growing community of young people who are also committed to positive change. You don't need any fancy equipment, just a clear, creative idea. We even have some useful guides for you and your teachers to help you craft your video into a 'Video for Change'.

[Plan Ahead for Projects Abroad Internships](#)

Hone essential soft skills like communication and organisation

We're here to help you find an overseas internship programme that matches your requirements and level of experience. We offer a wide variety of short and long-term internship placements, perfect for students and those interested in summer internships abroad.

Whether you're looking for a Human Rights Internship abroad or you want to get international medical experience, we'll help you select your ideal global internship.

[Projects Abroad Summer Medical Experience Programs](#)

Hospital and community health experiences in Nepal for students in years 10, 11 and 12. Places available for December and January intakes.

[The 17 Best Questions For You to Ask at a Job Interview](#)

It's the end of the interview.

You're almost at the finish line. And then...

"Have you got any questions for me?"

The answer's got to be a yes. You can't fall at the final hurdle.

To make sure you don't, read our list of the best questions to ask and you'll be ready to finish your job interview in style.

So, let's take it away!

[Conservation Volunteers Australia](#)

Want to lend a hand with post-flood environmental recovery? We are a national organisation working with communities to re-balance nature for a stronger, more resilient future. For 40 years we've helped connect people with important conservation needs to make real and lasting change at scale. Right now, our focus is on helping people to safely contribute to repairing the environmental damage caused by the recent floods in Queensland and New South Wales. Tonnes of plastic has washed downstream and is threatening marine life. Tens of thousands of trees, planted as habitat for koalas, have been washed away.

[Get Involved in Volunteer Projects](#)

People like you who care enough to make a difference – join us on exciting projects which span everything from ocean litter to bushfire resilience, and citizen science to climate change.

We exist to strengthen the health of communities and ecosystems for mutual benefit, across Australia. Through our work, we're building a more harmonious and helpful relationship between people and nature.

People tell us that they want to play their part to re-balance nature, but they don't know where to start. So, for almost 40 years we've been working to give people that opportunity through hands on volunteering. Now, we're growing our work to empower anyone across Australia to take action for nature through practical activities.

[Headspace – For young people – I'm a young person and I'm looking for information about mental ill-health](#)

Get support.

There are many ways we can support you in your mental health and wellbeing, and to help you navigate life's challenges. Choose the support pathway that works best for you.
