[AIM Info Day](#)

Deciding on which path to take after school can be a daunting decision to make.

If you are passionate about music but you have plenty of questions about pursuing a career in the music industry, we're here to help. As the only tertiary institution in Australia dedicated to music, we've helped people join a creative and enriching community of musicians and creatives for over 50 years. Our Future Students Info Day is an opportunity to get first-hand insight and guidance to a rewarding and fulfilling career in music through music education.

[Info Night at SAE Sydney](#)

SAE Info Night will give you an opportunity to chat to our lecturers 1:1, as well as learn all about what SAE has to offer.

There will be a general SAE overview about all our courses available, as well as our student support initiatives and services!

[AIE Information Evening](#)

19 January

Discover the courses designed to get you started in game development, film, 3D animation and visual effects at the AIE Information Evening on Thu 19 January 2023. The evening will include presentations on different areas of industry to get into as well as information about AIE full-time and part-time courses and entry requirements. We will be showing off AIE student work and our staff and teachers will be available to chat with you about our courses and how AIE can get you into a creative career.

[ACPE Experience Day](#)

15 December

Want to pursue a career in sport? Join us on campus. See where you will study, meet our students and lecturers, and participate in info sessions and practical workshops to take the next step with confidence.

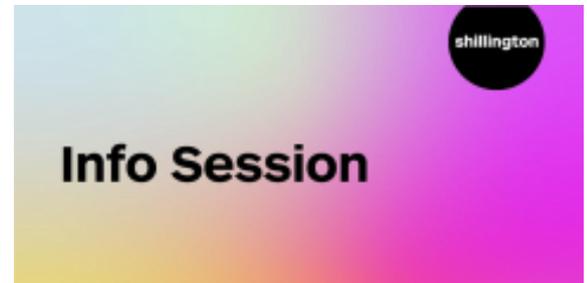

[Torrens Open Day](#)

Open Day gives you a taste of what we do and how we do it. Meet our academics, talk to current students and tour our campuses. We're here to help you turn your dream into your career.

[Shillington Education Info Session](#)

13 December

Looking to study graphic design at Shillington? The best way to find out more about our course is to come along to this Info Session.

English

[The Future Leaders Writing Prize](#)

Closes 1 May 2023

The Future Leaders Writing Prize is designed to recognise and reward talented young writers. It aims to encourage expressive and creative writing. Year 11 and 12 students in Australian secondary schools are invited to submit a piece of writing (800 to 1,000 words). The writing can be fiction or non-fiction and on any topic. PRIZE In 2022, the award winner will receive \$1,000. Where there is more than one winner the prize money will be shared. The winners of the Future Leaders Writing Prize will have their work published.

PDHPE

[Torrens Open Day](#)

Open Day gives you a taste of what we do and how we do it. Meet our academics, talk to current students and tour our campuses. We're here to help you turn your dream into your career.

Maths and Science

[Ace Your Medical Interview](#)

Know the questions you'll be asked (university specific)

Learn key strategies for success (MMI & Panel)

Practice in a simulated mock

Gain valuable, expert feedback

Bonus uni-specific resources, guides & scenarios

We passionately believe that all young people have a fascinating and individual life experience. Our role is to help these experiences and the passion you have for medicine shine through.

[Sydney Flight College Spaces Available AVI50219 Diploma of Aviation \(Commercial Pilot Licence – Aero-plane\)](#)

A STEM career in the space industry could take you places you have never dreamed.

If you can see yourself writing code for satellites, helping to safely launch rockets or interrogating images of the Earth – Australia and New Zealand are the places to be.

The space industry already supports 10,000 Australian and 12,000 New Zealand jobs, with both countries committed to massively growing these numbers. How? Australian and New Zealand governments recently created dedicated space agencies. But unlike [NASA](#), they aren't trying to send satellites and spaceships into space themselves, they're supporting others to get there.

[The Santos Science Experience](#)

Applications Closing Soon

The Santos Science Experience is a fun 3 or 4 days of science activities for Year 9 and 10 students.

Each program is designed to provide students who have an interest in science with an opportunity to engage in a wide range of fascinating science activities under the guidance of scientists who love their work.

The program takes place in over thirty-five universities and tertiary institutions, within many different laboratories and lecture theatres. Participants perform experiments in the laboratories, meet and hear senior lecturers in the lecture theatres, attend site visits and walk around and experience what it is like to be on the campus of a university or tertiary institution. More than 81,000 students have taken this rare opportunity, up to date.

[At the Museum - School Holidays](#)

Our interactive workshops make learning about science and culture lots of fun for up to 16 year olds.

There is something for everyone at the Australian Museum these January School Holidays!

[UCAT NIE Medical School Entry Interview Preparation](#)

Dates for end of December, January and February Attention Year 11! Considering a career in medicine or dentistry? If so, then you should start your medical interview preparation now. Don't miss it! 2023 workshop dates are now booking!

HSIE

[ICMS Degree Taster Day](#)

19 January

You know you want to study a degree which will give you an exciting career in a booming industry.... but with so many options, which one will you choose?

The ICMS Degree Taster Day will give you a sneak peek into what it's like to study a bachelor's degree specialisation! This is a chance to try out different specialisations – without any commitment. Don't make a mistake and enrol in the wrong degree. Instead, try before you buy.

TAS

[5 mins with a cyber security consultant](#)

ECU grad Emily Major-Goldsmith spends 9-5 analysing IT systems to find risks that hackers could exploit – and then coming up with clever and creative ways to stop them.

[UNSW – ACT Young Women in Engineering \(YoWIE\) 2023 Now Open to Register](#)

New dates for YoWIE 2023!

Our next YoWIE event will take place in the April School Holidays 2023: 18, 19, 20 April

As an engineer, your world is full of opportunities. UNSW Canberra's YoWIE Program is committed to inspiring young women currently in year 9 – 12 to consider a future in engineering. This free three-day workshop aims to show you how your maths and science studies at school can help shape your future.

[Kenvale Hospitality and Events Applications](#)

Applications Close 7 February

Kenvale College is a not-for-profit college that has been committed to meeting the needs of the hospitality, events and commercial cookery industry since 1971.

We offer courses in hospitality, commercial cookery and event management with a holistic approach to education. They can be taken either full-time or part-time and are a progressive pathway towards university degrees both in Australia and overseas.

Applications for our February 2023 intake are now open!

[Australian Pacific College Barista Skills Training 2 day \(12-hour\)](#)

Barista program provides the essentials for coffee-making & cafe know-how to help students feel confident in their first hospitality job. Being able to include this in their resume & LinkedIn profile is invaluable because it sets students apart from others who don't have work experience as a barista.

[Reminder – Australian Computing Society BiG Day In @ UTS](#)

14 March 2023

Tickets selling fast!

Book your tickets early so your students don't miss out on awesome presentations from Australian Space Agency, Australian Signals Directorate, Wisetech Global, Avanade Australia, Microsoft, Westpac, Woolworths, Defence Force Recruiting, TCS, Adobe & more to come.

[Ai Group – Apprentice & Trainee Centre](#)

Ai Group Apprentice and Trainee Centre host apprentices across NSW and are a proud partner to more than 200 host employers.

[Torrens Open Day](#)

Open Day gives you a taste of what we do and how we do it. Meet our academics, talk to current students and tour our campuses. We're here to help you turn your dream into your career.

[ICMS Degree Taster Day](#)

19 January

You know you want to study a degree which will give you an exciting career in a booming industry.... but with so many options, which one will you choose?

The ICMS Degree Taster Day will give you a sneak peek into what it's like to study a bachelor's degree specialisation! This is a chance to try out different specialisations – without any commitment. Don't make a mistake and enrol in the wrong degree. Instead, try before you buy.

VET Primary Industries

[NSW Department of Primary Industries Career Profiles](#)

If your students are interested in innovative technology, travel, feeding the world or running their own business their future may lie in primary industries. The NSW Department of Primary Industries staff are sharing their career profiles with you.

[Tocal College Farming and Agriculture Video and Accommodation](#)

NSW DPI To help celebrate National Ag Day, Tocal College posted a video of some of its past students describing their own Ag-Venture. This includes recordings of its Virtual Open Day. Tocal combines classroom learning with practical experience on its farms. Accommodation available. Areas of specialisation include beef, dairy, sheep, horse, poultry, bee, pasture, and crop production. Accommodation is available.
