

MAKING CONNECTIONS

Good learners make personal connections from the text with:

**Things in
their own life**

(text-to-self)

**Things from
another text**

(Text-to-text)

**Things occurring
in the world**

(Text-to-world)

**If I
were that
character,
I would...**

**I've
had an
experience
like that...**

**I have
read about
this in...**

**I felt
like that
character
when...**

**That reminds
me of...**

**I have a
connection...**

**This sounds
like...**

**I
remember
when...**
