

VISUALISING

Good learners create a mental image from the text that they are reading, viewing or listening.

What are the pictures in my head?

I can picture the scene...

I can see her/his expression...

I'm thinking about colours...

I can imagine the story...

I can draw my own version...

I can feel how the character feels...

VISUALISING BRINGS THE TEXT TO LIFE, ENGAGES THE IMAGINATION AND USES ALL OF THE SENSES.
