

2015 Brisbane Water Secondary College Umina Campus Student Voice Team

We'd like to thank all students who nominated to be involved in Student Voice this year. You're applications were awesome!! They were of a high standard and it made for many tough decisions. There are only a limited number of positions available and if you were unsuccessful this time around, please know that we still have your application in case of substitutions this year.

CONGRATULATIONS TO THE FOLLOWING STUDENTS
