Reception and finalised by

Organising teacher: Miss Krucler

Email: Gabrielle.Krucler1@det.nsw.edu.au

BWSC Umina has completed a Risk Assessment for this excursion which can be provided to parents if requested

Excursion description: The Science and Engineering Day invites 30 high achieving engaged and interested year 9 students to compete in teams against one another in a variety of authentic, problem-based activities. Throughout the day, students experience aspects of Science and Engineering which they would not usually see in their school environment. The day will include a selection of activities focusing on inspiring year 9 students to consider a future career in science and engineering by choosing to study science, mathematics and/or engineering in years 11 and 12. This day program also aims to prepare students for The Science and Engineering Challenge which is a nationwide STEM outreach program presented by the University of Newcastle in partnership with communities, Rotary clubs, universities and sponsors which targets students in year 10.

Privacy Advice Notice: The information provided on your child is being obtained by the School for the purpose of ascertaining relevant medical information requirements and other health-care related needs about your child who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with Brisbane Water Secondary College. It will be used by Officers of the NSW Department of Education and Training to assist planning, to support students and to minimise risks when conducting school excursion, sporting or other activities. Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity and persons that may be called upon to provide health-care treatment or other assistance during or as a consequence of such excursions or activities. Provision of this information is not required by law. However, a failure to provide the information may mean that your child cannot participate in a particular excursion or school activity. In such circumstances, the school will make available a sound alternative educational experience. Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the School Principal to discuss further. You may correct any personal information provided at any time by contacting the School office.

** Important Note: Whilst excursion refunds will only be given in extenuating circumstances, NO refund will be given for bus costs **
