Diphtheria/Tetanus/Pertussis vaccinations

Year 8 HPV Dose 2 catch up vaccination (*for students absent at previous visit*)

All consent forms and notes will be collected and retained by the immunisation team after each visit.

2017 Year 7 students requiring catch up HPV vaccination in 2018. Their consent form has been retained by the immunisation team and the names of these students will be emailed to the school coordinator prior to the first school clinic.

If a student in Year 7 or 8 is absent on the day of the clinic the consent form will be retained by the immunisation team and written advice regarding catch up options will be sent to the parent/guardian.

All consenting vaccination forms are to be completed and signed (in **BLUE** or **BLACK** pen).
No vaccine will be given unless there is a signed consent by the parent/guardian.

Withdrawal of Consent: If a parent contacts the school to withdraw consent for the program please follow the protocol accompanying this information. **NB:** This is only necessary if the parent has previously returned a completed consent form.

Transfer: For all Year 7 student transfers (in and out) please email Deb Barnes at: Deborah.Barnes1@health.nsw.gov.au. This will allow for the transfer of records between schools.

For all enquiries please contact the Central Coast Public Health Unit on **4320 9730**
or the school immunisation team on **0416 199 217**
