

Umina Campus Newsletter

DECEMBER 2014

Brent Walker

Principal

The end of the year is drawing close and it has been a wonderful year on the Umina Campus. Year 9 have just graduated in a very moving ceremony run by Kieran Lawler and Susie Murray. We wish them every success in their future endeavours and know that they have enjoyed their time on the middle school campus.

The new year sees some staffing changes with the departure of some long serving staff members, including Dianne Gill (Librarian), David Charles (TAS), Lisa Connolly (Support Unit), and Pamela Thomson (Learning and Support). These teachers have been long serving members of staff who have worked tirelessly to provide opportunities for the students of the peninsula and the surrounding areas. The new year will also see the introduction of new staff including Lucy Burns from Peak Hill Central School (Head Teacher Teaching and Learning), Paul Richardson from Henry Kendall High School (TAS), Linda Jacobson from the Woy Woy Campus (Support Unit) and Morrie Goolagaong (Aboriginal Education Officer) from George Anderson Walpole school. They are very excited about their arrival and are looking forward to 2015.

This week has also seen the permanent appointment of Kylie Hocking as a PDHPE/ Dance teacher at the Umina Campus. Kylie has demonstrated herself as a hard working staff member who has seen national success with our students in Aerobics and Cheerleading. She has also been heavily involved in CAPA activities and has been organising sporting events for the PDHPE Faculty. Congratulations Kylie on your appointment.

2014 has been a wonderful year, with students attaining a range of sporting, cultural, academic and extracurricular success. We are incredibly proud of all our students in the College and are looking forward to an exciting year next year. I would like to also take this opportunity to thank the amazing staff of the Umina Campus. Their dedication and hard work is demonstrated every day and I admire their energy and passion for the students of our school.

It's been another great year in public education and I would like to thank parents and caregivers for their support of the school throughout the year. The school is undergoing a new planning cycle and I welcome advice in 2015 on how to make our great school even better.

It is a privilege to care for and educate other people's children and I know our staff put so much effort into inspiring and engaging students to learn.

I hope everyone has a lovely break at Christmas, spending time with family and friends.

Merry Christmas and happy holidays and I look forward to seeing you in 2015.

CAPA AWARDS

Upper Hunter Beef Bonanza 2014

In October 18 students and 6 steers from Brisbane Water Secondary College attended the 2014 Upper Hunter Beef Bonanza held in Scone NSW. Our students Maintained a high level of showmanship and obtained excellent results despite working in temperatures above 35°C.

Schools and breeders represented many areas across NSW with over 300 head of cattle and more than 800 students participated in the event. In a very strong Field BSWC in partnership with Flemington Limousins won Reserve Champion and another 5th place in the Heavyweight class.

Further success was seen with a 4th place in the Heavy Middle weights with a steer bred by R&H Cole.

In the Lightweight class BSWC also enjoyed respectable results taking out 4th place with 234 bred by A&H Keleher

Right 234 – 4th in his Lightweight class led by Isaac Jones and bred by A&H Keleher.

Students also participated in the junior paraders, junior judging and Inter-schools meat judging competitions. Special congratulations to Jack Gowrie on coming 2nd in the 14's and 15's age paraders competition and to Allana Norris, Katharine Charles, Jake Barrett, and Nick Clunes on their first place award in the teams retail cuts meat judging event.

Left Jack Gowrie – 2nd in the 14 and 15 age group Junior Parading competition

This concludes a highly successful show season for BWSC. We entered nine shows achieving champions and numerous placing's with cattle, junior judging and parading throughout the year.

Young cattle have now arrived to commence preparations for 2015. Students are excited about commencing training for the coming year.

BWSC would like to acknowledge the generous support from breeders, Umina and Woy Woy Rotary clubs, Parents and Citizens Association and private sponsors who have enabled the school to provide students with a balanced and comprehensive agricultural education. They have also been instrumental in providing opportunities for our students to learn, not only excellent skills in cattle training and preparation, but team work, accountability, responsibility and work ethic. This continues to provide a solid platform for many graduates to enter successful agricultural tertiary training and employment over the years. These students would otherwise never encounter the diversity of the agricultural opportunities available in Australia.

The Agriculture Department would like to thank Hicks Hay and Grain for their sponsorship of feed as prize money won at the Maitland Agriculture Show this year.

The school farm has enjoyed an interactive and dynamic year. Record numbers of Kindergarten students from regional schools have engaged in the School Farm excursions. Visits from Year 5 and 6 students have also been very successful.

Cattle, pigs, sheep, poultry and horticulture have provided interesting and diverse learning opportunities for the whole college throughout 2014.

The year concludes with an incursion for all participating Cattle Club members. Mr and Mrs Cole, nationally acclaimed judge and breeders from Forbes are conducting a training day on Cattle and Pig judging combined with career opportunities in Agriculture. The Agriculture Department would like to extend our sincere thanks to Mr and Mrs Cole for their long standing commitment to mentoring students toward successful futures in Agriculture.

SRC

SRC – Term 4 Dance Party

The SRC of 2014 have been busy again this term hosting an array of events for our school and the local community, one of which was our last Dance Party for the year.

This was the last chance for the Year 9 students of 2014 to put on their dancing shoes and dance the night away and that is exactly what they did.

The Dance Party theme was Hawaiian and although we had strict dress code regulations for the night, we still had a turn out of approximately 130 students. The theme saw a number of great costumes with some of our best dressed including: The very popular Lilo & Stitch and the pineapple girls. We also saw an abundance of bright, flowery Hawaiian shirts in combination with Hawaiian lei's and sarongs.

This term the year 9 students created their own mix of songs that were played on the night and this kept the dance floor full for the majority of the night. The students thoroughly enjoyed the night and were calling for encores from our new DJ. The SRC would like thank everyone for coming and can't wait for the first Dance Party for 2015

Interact Club – 'Breakfast Club'

This year the BWSC Interact Club has been busy working on their first school-based project- 'The Breakfast Club'. Every Wednesday morning students of the club have been collaboratively working with members of the Rotary Club to provide food for students who do not get the chance to eat in the morning before school for various reasons.

At the end of the term instead of just providing students with toast, juice and cereal early Wednesday morning, the students of the BWSC Interact Club put on a BBQ breakfast for all students willing to pay a small fee. All hands were on deck this morning with the ignition of two barbeques and ovens used in the kitchen rooms. The smell of Bacon & Eggs rolls along with hash browns lingered down Veron Road all morning and it attracted huge crowds from 7:45 onwards.

The Students of the Interact Club would like to thank all who came along to the BBQ on the Wednesday morning and we hope that you were well fed before a busy day of school. They would also like to thank the members of the Rotary Club and the teachers who assisted in the preparation of the food.

The Interact Club looks forward to continuing to provide students with a healthy breakfast early Wednesday mornings next year. They would also like you to keep your eyes peeled for our International based project in the year 2015.

SRC – 2015

On Tuesday the 18th of November the elections for School Captains and the School Representative Committee (SRC) for 2015 were held. This year we had a huge number of students who nominated for these leadership roles and it was great to see so many students keen to be involved in the school community.

The speeches for the Captains positions this year were not only impressive, but inspiring. We had 19 students speak in front of the whole of Year 8 and explain why they would be the perfect candidates for the position. Each student spoke clearly and incisively to persuade the audience to vote for them.

After collating the votes our School Captains for 2015 are:

Girl School Captain: Ella-Rose Mercer

Boy School Captain: Sean Kirby

Girl Vice Captain: Cali Backhouse

Boy Vice Captain: Daniel Willings

A massive congratulations to these four students and we look forward to working with all of them in the new year, as they will do great things for both the school and the community. I would also like to congratulate those students who nominated themselves for a captain position but were not successful. There are a number of other leadership roles within our school that require your skills which you would be perfect candidates for.

Not only were the Captains speeches impressive, but so were the large number of students who nominated themselves for SRC. We had 14 students nominated for Year 10 SRC, 39 students nominated for Year 9 SRC and 45 students nominated for Year 8 SRC. With the number of students growing exponentially each year we would like to take all of these keen students, but unfortunately our numbers are limited.

Lizottes

Our amazing musicians made us proud in a stunning performance at Lizottes, Central Coast. This marks the end of an era as the venue is due to close its doors in the near future. Lizottes has been an avid supporter of BWSC performers with students showcasing their talents year after year at the iconic restaurant.

Our students delivered an incredible performance as our musicians from both campuses came together under the guidance of Ms Garner and Mr Ross in a heartfelt final show.

After collating the votes, the following students have been accepted in the SRC for 2015.

What an eventful last few weeks we have had. Students worked hard in class to perfect their resumes and cover letters for the Mock Interviews. The Mock Interviews were held in week 8 and were a huge success. It was wonderful to see the students taking

this very useful event seriously and with pride. Many boys arrived in suits and ties whilst the ladies looked stunning.

The panelists this year found it very difficult to nominate only 2 top students on each day and we ended up exceeding the number of nominations for excellence in presentation and effort.

A big congratulations to those students. Five students were then nominated from this list and are the lucky recipients of a \$20 gift voucher. Congratulations goes to; Miguel Acevedo-Moreno, Jayda Bryant, Wil Hudson, Grace Robertson and Logan Wardrop.

Central Coast Group Training also sponsor us for this event and Steven Sarayeldin received this award along with a \$50 Westfield Gift Voucher, well done Steven. We had representatives from local businesses including KFC Woy Woy who have selected several of our students for interview and possible employment

I would like to take this opportunity to thank the many students who helped out on the days. Many students made coffees, prepared the lunches and waited on our guest panel members; Naomi Hayes, Kayla Dingwall Logan Wardrop, Jayda Bryant, Justine Murchie, Taylor Kennedy, Madalyn Wing, Emily Northcott, Teah Berghofer, Lashe' King, and Monique Kenyon just to name a few.

I also had several other students offering to help on the days. It was great to have the support and interest from these students.

A huge thank you must go to Mrs. Cindy Phillips from our kitchens who worked alongside the students during food preparation, Cheryl Goodsell and her students, Janelle Beckinsale who managed the interviews on the day, Di Arnold and Faye Gordon..... and our wonderful ex staff, community members, Planit Youth mentors, local businesses, Rotarians etc who came along and volunteered their time.

Another great opportunity for our students. Well Done

Thank you Nerrida Lewis

Tax File Application Changes

As of December 31, 2014, students will not be able to apply for a tax file number through the school. The new process will involve on line submission and a visit to the local post office.

Notes have been sent out to all of our students who are 13yrs and over and if you have been able to complete the forms and return them by Friday December 12th, they will be posted off for processing before these changes occur. Please be aware that:

- i) these forms take 4 weeks to process and your child's tax file number will be posted to you
- ii) if the forms are not filled in correctly they risk being returned and will not be able to be re-submitted by the cut off date.

If you have not sent the necessary forms in, you will have to apply using the new method in the new year.
