Dear Parents and Carers

BWSC Uniform Review and Changes

Over the last 12 months BWSC and BWSC P&C have conducted a College Uniform Review. The findings as a result of our Uniform Survey and Parent Forums across the School community will come into effect from the commencement of Term 1, 2019 across the College or until such time as you need a new uniform. These changes are the recurring concerns of Parents/Carers, Teachers and Students and have been ratified at the July 2018 P&C Meeting and are as follows:

1. Years 7-10 Junior Uniform is the white school shirts with the school navy cargo shorts/trousers or navy and gold skirt with the BWSC logo.
2. Years 11-12 Senior Uniform is the blue school shirts with the school navy cargo shorts/trousers or navy skirt with the BWSC logo.
3. The Senior Tan Slacks are no longer a part of BWSC uniform.
4. The only tracksuit pants to be worn at either Campus are the tracksuit pants obtained only from We're Sportswear carrying the BWSC logo which have been upgraded to have a warm lining added for better warmth and comfort.
5. A warmer winter jacket has also been added to the BWSC uniform options.

We thank all Students, Parents and Teachers who participated in the Uniform Survey and Forums. We sincerely believe this will be a smooth process and hope all parent will encourage their children to wear the uniform with pride.
